3. Spread mixture out onto a lined baking tray and press firmly into a thin crust. Using a rolling pin will assist in creating an even surface.
4. Place tray into the oven on shelf 3 for 18-20 minutes, crisp should be just starting to colour.
5. Let the crisp cool for 5 minutes and then cut or break crisp into desired shapes.

Lamb and beetroot salad

1. Pre-heat oven on Fan Plus at 180°C.
2. Pre-heat a frying pan on high heat Induction setting 7, season lamb and then sear lamb rack on both sides until brown.
3. Place lamb on the grilling and roasting insert, placed in the multi-purpose tray.
4. Peel and cut onion in half, slice each half slice into 6-8 pieces.
5. Peel beetroot and then cut into 2cm dice. Toss onion, beetroot, olive oil, caraway and seasoning together in a bowl. Evenly place the beetroot mix around the lamb.
6. Place Food probe into the middle of the lamb rack and place food into the oven on shelf position 3.
7. Select Moisture Plus at 180°C with an automatic burst of steam and core temperature 65°C.

Herb dressing

1. Put all ingredients together in a blender and blend until mixed well.

To serve
