## **METHOD**

### **Chermoula**

1. Place ingredients into a food processor and pulse until a paste is formed.

### **Fish en pappiotte**

1. Place each fillet on a sheet of baking paper measuring approximately 40 cm x 35 cm. Place fillet on the bottom half of the paper leaving enough room to fold over and form a parcel.
2. Place 2 tablespoons of chermoula sauce over each fillet.
3. Bring the top half of the baking paper over the fillet and fold in the side edges, then fold in the bottom edge to form a parcel.
4. Place parcel on the bottom half of a similar sized piece of foil (shiny side in) and fold as per baking paper.
5. Place parcel on a perforated steam tray and Steam at 90°C for 20-25 minutes.

### **Waldorf salad**

1. Wash and dry the baby witlof and use the smallest leaves only.
2. Thinly slice the celery with a vegetable peeler then soak in cold water for 1 hour.
3. Place the apple in a dish and coat thoroughly with lemon juice to prevent oxidation.
4. Place the apple, celery, walnuts, witlof and frisée in a large bowl. Toss the mayonnaise through the salad, ensuring you coat the whole salad. Season with salt and pepper to taste.
5. Serve the fish, in its open parcel, with a serve of the Waldorf salad on the side.
