Dried pineapple slices

By Miele

10 minutes

Preparation time

6-8 hours

Cooking time

Serves

INGREDIENTS

1 pineapple, trimmed and peeled

METHOD

1. Thinly slice the pineapple horizontally and place on universal trays lined with baking paper.
2. Place in the oven on Drying function at 70°C for 6-8 hours, or until dry to touch. Remove from the oven and store in an airtight container.

Alternative appliance methods

Gourmet warming drawer

- Place the pineapple in the gourmet warming drawer on Food setting 2.

Oven

- Place the pineapple in oven on Fan Plus at 70°C with the Crisp function activated.

Combi steam Pro oven

- Place in the combi steam Pro oven and select Combi mode: Fan Plus at 70°C + 0% moisture.
